

Legal Notice and Disclaimer

Dear Customer:

Please note that in the following notice the term “taximeter products” shall include all products sold by Centrodyne for use in a motor vehicle. This specifically includes, but is not limited to, the Silent 610, Silent 620, S700, S160, Z059, and Maestro (Z063).

Due to variations in use, governing regulations, and other variables, Centrodyne does not provide instructions regarding installation of its taximeter products. The purchaser and/or user assumes sole responsibility for installing the product in a safe manner and in compliance with regulations governing its use and operation. Centrodyne provides no warranty, expressed or implied, regarding the accuracy, adequacy, completeness, legality, or reliability of any calibration or installation of its taximeter products. Centrodyne provides no warranty, expressed or implied, regarding compliance with any regulation governing the use and operation of its taximeter products.

Centrodyne further disclaims any liability and damages (including without limitation any consequential, special, incidental, punitive, or exemplary damages) arising out of the calibration, installation, or use of its taximeter products. In no event will Centrodyne be liable for any claim arising out of the calibration, installation, or use of a taximeter product, whether in contract, tort (including negligence and product liability), or under any other theory of liability.

If any part of this disclaimer is determined to be void, invalid, unenforceable, or illegal, including but not limited to the disclaimers and liability limitations set forth above, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision, and the remainder shall remain in full force and effect.

This notice is also available in French.
